New Medigap Number

Effective 10/1/07, Medicare is requiring that all providers that bill their claims to Part B carriers, begin to include a new Coordination of Benefits Agreement (COBA) Medigap ID. This number will trigger crossovers to those Medigap insurers that have been assigned a COBA Medigap claim-based ID.

You can reference these Medigap IDs at:

<http://www.cms.hhs.gov/COBAgreement/Downloads/Contacts>

TRICARE Error

TRICARE for Life has been notified about an error with Medicare remittance. When Medicare processes a claim, there is notification on the remittance the claim has been submitted to WPS and TRICARE for Life for secondary processing. Medicare has omitted this notification, even though they are still submitting your claim to WPS and TRICARE for Life.

Product Review

Each issue, we will feature one of our products or services and review the benefits. This issue, MD On-Line was chosen.

MD On-Line is technology that allows you to submit your claims electronically, check eligibility and referrals.

- It is user friendly
- Integrates seamlessly with your existing practice management software
- Timely reports on the status of your transactions.
- No charge for technical and customer support with a toll-free number

Medicare Claim Unprocessable

A Medicare claim will reject if the name does not match the Medicare card exactly. This includes any differences in the first name, last name or middle initial.
